I Believe I Can Fly - R. Kelly

I used to think that I could not go on,
 And life was nothing but an awful song
 But now I know the meaning of true love,
 I'm leaning on the everlasting arms

 If I can see it, then I can do it.
 If I just believe it, there's nothing to it.

 I believe I can fly. I believe I can touch the sky.
 I think about it every night and day, spread my wings and fly away.
 I believe I can soar, I see me running through the open door.
 I believe I can fly, I believe I can fly, I believe I can fly.

 See I was on the verge of breaking down.
 Sometimes silence can be so loud.
 There are miracles in life I must achieve
 But first I know it starts inside of me. (Oh oh oh)

If I can see it, then I can do it.

If I just believe it, there's nothing to it.

I believe I can fly. I believe I can touch the sky.

I think about it every night and day, spread my wings and fly away.

I believe I can soar, I see me running through the open door.

I believe I can fly, I believe I can fly, I believe I can fly.

Hey, Cause I Believe in me. Oh oh oh

If I can see it, then I can do it.

If I just believe it, there's nothing to it.

I believe I can fly. I believe I can touch the sky.

I think about it every night and day, spread my wings and fly away.

I believe I can soar, I see me running through the open door.

I believe I can fly, I believe I can fly, I believe I can fly.

If I just spread my wings (I can fly)

I can fly (I can fly) - 3 vezes

If I just spread my wings (I can fly)
