

Temas Diversos - I Still Love You (Game Prince Of Persia: Warrior Within)

Tom: F

Alone

And there is no tomorrow,
I should have known,
All the pain and sorrow,
I could only,
See your mind,
Desperate measures,
For desperate times.

Aah - Aah - Aah, Aah - Aah - Aah,
Aah - Aah - Aah, Aah - Aah - Aah.

I can't stand pain,
Soon you'll die,
I still love you.
The fact still remains,
Time will tell,
I still love you.

In peace,
At the same time crying,
There's phrase and solitude,
But there's no use denying,
Things between us,
You can't hide,
A stranger's handprints
Upon your mind

Aah - Aah - Aah, Aah - Aah - Aah,
Aah - Aah - Aah, Aah - Aah - Aah.

I can't stand pain,
Soon you'll die,
I still love you.
The fact still remains,
Time will tell,
I still love you.

I can't stand pain,
But he's there,
Inside,
As the voice says..??
You will decide,
In time, in time?

I can't stand pain,
Soon you'll die,
I still love you.
The fact still remains,
Time will tell,
I still love you.

I can't stand pain,
Soon you'll die,
I still love you.
The fact still remains,
Time will tell,
I still love you.
