

Temas Infantis - O Novo Ano Escolar

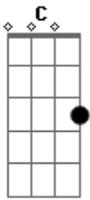

Tom: C
Intro: C F C F C F G

Olho ao longe que belo sol a nascer
Lá por trás dos montes desperta o meu coração
Um sorriso brilha de novo a cada do olhar
Vou navegar por este céu azul

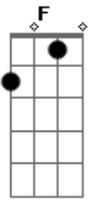

Uma nova fase iremos começar
Como as borboletas que brincam no jardim

Cadernos e livros pra gente estrear
Então chegou o novo ano escolar
Pra escola agora eu vou
Num caminho a seguir
Muitas coisas, juntos
Vamos aprender, com você
Meu professor
Eu vou
