[Primeira Parte]

A sun red from the blood of an innocent
A black sky staring down the Omnipotent
He made the world that He would not survive
Thirty three years old lying in a grave
Struck down by the ones that He came to save
But He won't stay, cause in three days, He'll rise

[Refrão]

Behold Him, behold Him
Jesus Christ of Nazareth
The Son of God who came for us
Behold Him, behold Him
The prophesied who takes the throne
He rolled the stone, He has no broken bones
