

## Tempesst - Must Be a Dream

```
tom:
               Dm
       [Primeira Parte]
I watched your hips in sacred in the lamplight
You were dancing wearing nothing
But my cowboy hat
             Dm
You're like a Margaret's twin
            F
Possessed by a tribal queen
       C C7
And this moment seems
    F7
Just short of make believe
[Refrão]
    Am
This must be a dream
        Dm
Baby you must be a dream
               Am
I'd awake in the morning
              Dm
We're forever entwined
   Am
This must be a dream
       Dm
Baby you must be a dream
               F7M Em
I'd awake in the morning
Until the end of time
[Interlude] Dm Em Am C
```

## [Segunda Parte]

```
Is it alright if I'm a slave
And you're my master?
You can wrap me around your finger
         Bb
Though I'm not that fl?xible
          Dm
If I could sell my soul
Like a man, door-to-door
I might tak? what is
   E7
Her private property
[Refrão]
     Am
This must be a dream
Baby you must be a dream
I'd awake in the morning
               Dm
We're forever entwined
    \mathsf{Am}
This must be a dream
        Dm
Baby you must be a dream
               F7M
I'd awake in the morning
```
