

Tempesst - Must Be a Dream

```
tom:
               Dm
        [Primeira Parte]
I watched your hips in sacred in the lamplight
You were dancing wearing nothing
But my cowboy hat
             Dm
You're like a Margaret's twin
            F
Possessed by a tribal queen
       C C7
And this moment seems
    F7
Just short of make believe
[Refrão]
    Am
This must be a dream
        Dm
Baby you must be a dream
               Am
I'd awake in the morning
              Dm
We're forever entwined
   Am
This must be a dream
       Dm
Baby you must be a dream
I'd awake in the morning
Until the end of time
```

Is it alright if I'm a slave And you're my master? You can wrap me around your finger Bb Though I'm not that fl?xible Dm If I could sell my soul Like a man, door-to-door I might tak? what is E7 Her private property [Refrão] Am This must be a dream Baby you must be a dream I'd awake in the morning Dm We're forever entwined Am This must be a dream Dm Baby you must be a dream I'd awake in the morning N.c Until the end of time
