

# TEMPOREX - Nice Boys

tom:  
Capostrate na 4ª casa

Ain't it just so easy to say  
You don't feel the same way  
As that nice boy does, ey?  
He misses you, he wants you  
But you just don't feel the same  
Why don't you tell him today?

She doesn't want him because he cares too

## Acordes

Much  
But now he's gone and she's alone again  
Maybe if she tried a little harder to find  
The gem within his heart that was there  
This whole time  
Baby, what did I do?  
Baby, come through  
To me  
Baby, I think it's you  
Never was me
