Higher
Higher
Sayin' higher-er-er

Tell me why you're cryin' now, kini big deal?
When you gave me somethin', I don't really feel
But you knew that already
When I found you on the ground, you were dyin'
Now, why you come into my yard uninvited?
Can you see me on the edge? I'm enlightened
If the world was endin'
Would you cry or would you try to get me?
Tell me now, I want you to be clear, yeah
Tell me now, I need you to be clear, yeah
I will wait for you, for you
I will wait for you
I will wait for you
Get me
Can you put the time on a rewind, yeah?
Help me understand, can you tell me now

Why you made the war that we're fightin' now?
And you fall and you run when you see my big guns
Run around, run away as the rebel comes out
Then you call, call on me, when you call me, I come
But there you go again (yeah, you go)
With your deaf ears
Open your mind to the sound of the trumpet
What do you want from a life of the hopeless?
Now here you are, you're beggin' and cryin'
I want to fly, yeah, I'm flyin' till morning
Runnin' away to the land of discovery
Runnin' away from the sufferin', I'm gone, yeah
Runnin' away from the darkness, I'm out here, yeah
Higher than all the limits
Goin' way beyond the noise and your feelings
When you speak, all I can hear is silence
Runnin' back from all the pain and violence
Big tunes, now it's big tunes I'm killin'
Cry now from the side, now call my name
Fall down when you see me, you know that
You know that I will stay for you
I will wait for you, for you
I will wait for you
I will wait for you
