

Tems - Higher

tom:
D

Mmm
G D
Oh, oh, mmm

Higher
G D
Higher
G D
Sayin' higher-er-er-er
G D
Ayy

G D
Tell me why you're cryin' now, kini big deal?
G D
When you gave me somethin', I don't really feel
G D
But you knew that already
G D
When I found you on the ground, you were dyin'
G D
Now, why you come into my yard uninvited?
G D
Can you see me on the edge? I'm enlightened

G D
If the world was endin'
G D
Would you cry or would you try to get me?
G D
Tell me now, I want you to be clear, yeah
G D
Tell me now, I need you to be clear, yeah

G D
I will wait for you, for you
G D
I will wait for you
G D
I will wait for you

G D
Get me

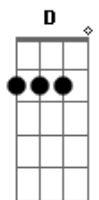

G D
Can you put the time on a rewind, yeah?
G D
Help me understand, can you tell me now

G D
Why you made the war that we're fightin' now?
G D
And you fall and you run when you see my big guns
G D
Run around, run away as the rebel comes out
G D
Then you call, call on me, when you call me, I come
G D
But there you go again (yeah, you go)

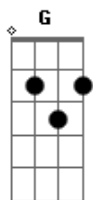

G D
With your deaf ears
G D
Open your mind to the sound of the trumpet
G D
What do you want from a life of the hopeless?
G D
Now here you are, you're beggin' and cryin'
G D
I want to fly, yeah, I'm flyin' till morning
G D
Runnin' away to the land of discovery
G D
Runnin' away from the sufferin', I'm gone, yeah
G D
Runnin' away from the darkness, I'm out here, yeah
G D
Higher than all the limits
G D
Goin' way beyond the noise and your feelings
G D
When you speak, all I can hear is silence
G D
Runnin' back from all the pain and violence
G D
Big tunes, now it's big tunes I'm killin'
G D
Cry now from the side, now call my name
G D
Fall down when you see me, you know that
G D
You know that I will stay for you

G D
I will wait for you, for you
G D
I will wait for you
G D
I will wait for you
