

# Ten Years After - Here They Come

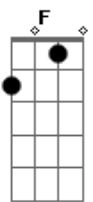

tom:  
 D  
 Here they come, and they fly with the power of the sun  
 Here they come, and they're going to touch everyone  
 Far, far, have they come  
 Here they come, and the fire on their wings doesn't burn  
 Here they come, and they know everything we must learn  
 Round, round, we must turn

F  
 Watch out, you, sinners  
 C Don't you know that your time has come?  
 F Watch out, you, winners  
 C Now it's the same for everyone  
 Here they come, and the stars in their eyes seem to glow  
 Here they come, and the fear in our hearts starts to go  
 Now, now, now we all know  
 [Final] G D G D
