

Tenacious D - Baby

Tom: **E**

This will be my first Tab to submit so please comment if there is any mistakes. Don't be about the names of the chords, they are easy to take if you can bar. I will maybe later put out the hole picking pattern for moving over from verse to chorus.

Tuning = Standard (EADGBE)

The picking pattern will be something like this:

And during the Chorus:

Now all you have to do is take these chords and play the pattern everytime you switch chords

Chords:

E Gbm Abm Dbm B A

Verse 1:

E Gbm Abm Gbm
I can't get to sleep tonight
E Gbm Abm Gbm
No matter how hard I try

Chorus 1:

Dbm B
'Cause it's cold and it's dark

Dbm B
And the wind is whistlin'

A B
And I can't seem to put out the light

Verse 2:

E Gbm Abm Gbm
Mamma's been searching for baby
E Gbm Abm Gbm
But baby's been tryin' to get home

Chorus 2:

Dbm B
'Cause it's cold and it's dark
Dbm B A
And the moon cannot light the way
B
And Daddy's gone Bye Bye
E Gbm Abm Gbm E
I'm just a baby! (ends in baby-ish crying)

Spoken
