

Tenacious D - Señorita

Tom: **D**

Intro: Spanish guitar trumpets

Verse:

Señorita, tasty mamacita, tell me baby what's your name

Oh conchita, won't ya have a seat-a, tell me baby who's to blame?

F I'll fucking kill the man who has **C**
Bb My body's shaking outta **A** control

Repeat chords from verse 1:

His name is Larry
 Oh, he's really scary
 Drinkin' at the fucking bar

Tap his shoulder
 Muscles like a boulder
 Tell him that he's gone too far

He laughs and tells me to fuckin' fuck myself
 Now my blood is boilin' over my soul!

Hey!

(Conversation with Larry in between the riff:)

JB: Hey, I'm sorry, I didn't hear that.
 Did you just tell me to fuckin' fuck myself?

Larry: Yeah!

JB: Well I'm telling you to step outside

Larry: Oh really?

JB: Yeah, we got some things to talk about
 A little lady named Conchita

Larry: Hey!

JB: Yeah, you harmed her!

Larry: What? Who said? Who are you?

JB: Yeah fuck you, you fucking piece of shit!

Bridge:

Dbm When my fist connects at Larry, **B**
 ground falls down to the

A I see he's cut me with a **Ab** bottle

My pistol rises, cause it's time to double down
 Larry runs, I chase him out full-throttle

(now alter between **A** and **Ab**, on the rythm of course)

¿Dónde estás mi horse? Ayee?
 Digame, dónde estás Larry? ayee?
 En los montañas? Donde? en los canyon?
 Muy bien, Coldwater Canyon?
 Andole, si, hay... hay, hay!

Horse riff:

(Lyrics during Horse riff:)

Ah, te llamo mi Conchita
 Yo tengo hombre para tu gota
 Mira mi cada
 Soy en fuego para tu bueso
 Mi amor

Now repeat the chords from Verse 1 again:

Watchin' Larry
 In his sanctuary
 Thinkin' that he got away

With Conchita
 Oh my mamacita
 Kissing him upon the face

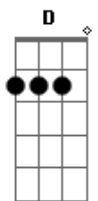

I fuckin' rue the day that I fought for you
 Now my mind is spinnin' out of control

Oooohh

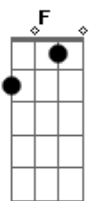

Now comes this riff again, but with distortion added:
