Intro: 2x: Em C D

Em C D
This is the ballad of Hollywood Jack and the Rage Kage
Em C D
Nothing could stop them when Jables and Rage hit the stage
Em C D
And Hollywood Jack hit the big time and when to make movies
Em C D
Rage Kage was left far behind in the dust of his dreams

Em D G C
And he grumbled and growled and watched Hollywood Jack on Jay Leno
Em D G C B7
He bellowed and said he'd be nothing without help from Kage
Em D G C B7
He burned up the photos of Jables and Kage doing mushrooms
Em D G C B7
Fuck him , I don't need no Hollywood Jack anyway

Em C D
So Hollywood Jack lived up high on a hill in a bubble
Em C D
And Rage Kage lived deep in the broiling valley below

Em C
Yes, the Rage Kage bubbled with rage

D
He looked at the ground

B7
And he looked on the stage

Em
The lava was throwing

C D B7
And boiling inside the old Kage

Em D G C B7
As Hollywood Jack climbed the ladder of stardom before him
Em D G C B7
He watched as his indie credentials flew right out the door
Em D G C B7
He'd make millions and then he'd go out and he'd make even more millions
Em D G C B7
He'd screen KG's calls and snort coke of the ass of a whore

Em
No one respected him

C
They just rejected him

G D
No one would represent Kage

Em C
Left on the streets of his dreams

G B7
He would cry, and he'd rage for the stage

Ahahaaa

Then Hollywood Jack got a message that Kage was in trouble
Em C D
They sent Kage away cause he had gone completely insane
Em C D
So Hollywood Jack jumped upon a jetplane and flew all that night through the rain
Em C D
To be with his friend to see what remained of his brain
Em D G C B7
Then Hollywood Jack told the doctors: "You got to retrieve him!"
Em D G C B7
You've got the technology, use the techniques of your trade
Em D G C B7
He grabbed their lapels and he screamed "BY GOD YOU MUST SAVE HIM!"
Em D G C
Because Rage Kage and I; can't you see that were one and the same!

Aaah!

Em
RAGE KAGE!

C
OH RAGE KAGE!

G D
There'd be magic inside that old name

Em
And you know,

C
yes you know

G D
When you're going completely insane

Em
Oh Rage Kage!

C
Oh Rage Kage!

G D
Oh the lion will roar once again

Em
And you know

C
Yes you know

G B7
When you're going completely insane

Em D G C B7
Nothing and no one could harm the old Rage Kage again,

Em D G C B7
Nothing and no one could harm the old Rage Kage again,

Em D G C B7
Nothing and no one could harm the old Rage Kage again,

Em D G C B7
Nothing and no one could harm the old Rage Kage again,

Em D G C B7
Nothing and no one could harm the old Rage Kage again,

Em D G C B7
Hollywood Jack and the Rage Kage were out once again.
