

Tenth Avenue North - Strangers Here

```
Intro: D D G
I know you're tired of the hurt and the heartache
You feel like giving in, you feel like walking away
                            Bm
And I know it's difficult feeling so out of place
                        G
But this is not how it's gonna be
Your pain is temporary
        Bm G D
We're all strangers here
So it's alright if you can't
Bm G D
Stop the tears that you cry
'Cause some day we'll touch the face of our God
 Bm
And the sorrow will disappear
       D D G D D G
Until then, we're strangers here
That's hard to hear if you want to keep chasing
This broken world that only keeps your heart breaking
So if you're scared 'cause you think that you're missing out
This is not the ending
No, this is not the ending
        Bm G D
We're all strangers here
