

Terezinha de Jesus - Caso de Amor

tom:

Intro: Dm Dm Dm Dm

Se quiser me ganhar menino

Seja pleno de amor

Seja paixão a mais bárbara que fosse

Eu vou pro meu coração

Só não deixe que o ciúme

Seja um vício entre nós

Deixe que esse caso consequente

Se transforme numa virtude da gente

Um caso de amor

Um caso de amor

E arrisque se tudo for diferente

Do que se pensa que é

Do que se pretende ser

Só não risque o meu nome do seu caderno

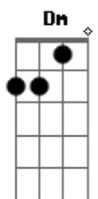

Que todo o amor é eterno

Como a cama e os lençóis

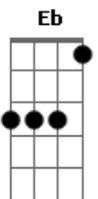

Como a calma e a inquietação

Como nós, como nós
