

Terra Lumina - Ode To Pluto

Intro: F C F

Tom:

F
You were found in 1930

Am
But you've been around long before

Bb F
And everyone seemed to know your name
A dwarf they now are calling you

Am
But you're still hung up in most kids' rooms

Bb F
We think of you very much the same

C F
Pluto, don't get too down

Bb
Words are only words

And you'll always be around C
C Pluto, keep circling around the sun Dm
F Bb F
A couple hundred years and you'll be back where you'd begun

F
Consider yourself lucky

Am
Five moons to keep you company

Bb F
With charon to lead the whole crew

F
Your days are six times longer

Am
And mass a fraction of our moon

Bb F
But that's what really makes you, you
