

# Terry Jacks - If You Go Away

tom:

**Am**

If you go away, on this summer day

**Dm**

Then you might as well take the sun away

**G**

All the birds that flew in the summer sky

**C**

When our love was new and our hearts were high

**F** **E**

When the day was young, and the nights were long

**Am**

And the moon stood still for the nightbird's song

**F** **E** **Am**

If you go away, if you go away, if you go away

[Refrão]

**Am** **F**

But if you stay, I'll make you a day

**E** **Am**

Like no day has been, or will be again

**Am** **F**

We'll sail the sun, we'll ride on the rain

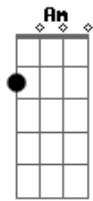

**G** **Am**

We'll talk to the trees, we'll fly with the wind

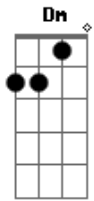

**Dm** **E** **Am**

But if you go away, if you go away, if you go away
