tom:

G

[Primeira Parte]

G D G

Goodbye to you my trusted friend

Am

We've known each other since we were nine or ten

G

Together we've climbed hills and trees

Am

Learned of love and ABC's

D G

Skinned our hearts and skinned our knees

G D G

Goodbye my friend it's hard to die

Am

When all the birds are singing in the sky

G

Now that spring is in the air

Am

Pretty girls are everywhere

D G

Think of me and I'll be there

[Refrão]

D G Am

We had joy we had fun we had seasons in the sun

D G

But the hills that we climbed were just seasons out of time

G D G

Goodbye papa, please pray for me

Am

I was the black sheep of the family

G

You've tried to teach me right from wrong

Am

Too much wine and too much song

D G

Wonder how I got along

G D G

Goodbye papa it's hard to die

Am

When all the birds are singing in the sky

G

Now that spring is in the air

Am

Little children everywhere

D G

When you see them I'll be there

[Refrão]

D G Am

We had joy we had fun we had seasons in the sun

D G

But the wine and the song like the seasons have all gone

D G Am

We had joy we had fun we had seasons in the sun

D G

But the wine and the song like the seasons have all gone

G D G

Goodbye Michelle my little one

Am

You gave me love and helped me find the sun

G

And every time that I was down

Am

You would always come around

D G

And get my feet back on the ground

G D G

Goodbye Michelle it's hard to die

Am

When all the birds are singing in the sky

G

Now that spring is in the air

Am

With the flowers everywhere

D G

I wish that we could both be there
