

Tessa Violet - Bored

tom:

[Primeira Parte]

Bm You think that I could sense a trend
G I'm stayin' up too late just so I can stay awake
I wish I weren't so self-obsessed (Oh-oh)
Bm Wish that I could be the best (Oh-oh, oh)
G Excited with my words, but I'm nervous and I'm bored (Bored, hey!)
I'm so bored of wakin' up, I'm so bored (Bored, hey!)
Bored of what's inside my cup, I'm so bored (Bored, hey)
I'm exhausted by my heart
I'd feel good if only I could finish what I start
I'm so bored (Bored, hey!)
I'm never tired in my bed, I'm so bored (Bored, hey!)
Of these thoughts inside my head, I'm so bored (Bored, hey!)
Bored of bein' all alone
Just hopin' I'd find purpose in these pictures on my phone
