

Tessa Violet - Games

tom:
Capostrate na 1ª casa
Intro: Em C G D

[Primeira Parte]

Em
I don't want a piece of that
'Cause I know there's no peace in that
G D
I can tell myself a thousand times
Em
But you can make a toy of me
And I'll agree that maybe I just couldn't see
G D
Couldn't see that there ain't nothing wrong with us at all

[Refrão]

But you keep on playing games with me (games)
And you always gotta play with me (play)
And I hate the way you break and you take and you tear me down
C D
Boy, you really outta knock it off right now
Em G
Games with me (games)
And you always gotta play with me (play)
And I hate the way you break and you take and you tear me down
C D
Boy, you really outta knock it off right now

[Segunda Parte]

Em
I know I should trust my gut
'Cause I know that there's something up
G D
I just hate the place that path would lead me down
Em
And you say that there's nothing wrong
And I long to take you at your word, but then
G D
All along you're hiding even when you're by my side

[Refrão]

And you keep on playing games with me (games)
And you always gotta play with me (play)
And I hate the way you break and you take and you tear me down
C D
Boy, you really outta knock it off right now
Em G

[Pré-Refrão]

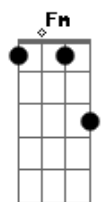

G
You lying
And everything with you is trying
C
And I don't wanna keep on crying
D
If I'm the only one
G C
And I been telling everyone I'm fine
Am
But I feel like I lost my mind, oh
D
Am I the only one?
Em
If I knew it all along
C
Was I wrong to take you at your word but then
G D
All along you're hiding even when you're by my side
[Refrão]
