Intro: Em G Am B

Em

All the silhouettes of passers by
The sound of streets and familiar cries
Will vanish into the illusion

No serenity and never compromise
There's no dignity as you fraternize
With your delusions, so set me free
Take all you need and I'll be waiting

Em

Together we're jaded

A D A

And now with enervated

Em

G

Am

Wings ablaze I'm burning

C
