Thalía - Baby I´m in love

Tom: D I'm in love, I'm in love Bm It's the cheapest talk and the foolish walk Baby I'm In Love, In Love, in love Baby I'm In Love, in love in love G Bm To be running games and be hiding things Don't be checking me baby I am free Bm Behind the one, your love's back G May be on my own, but I'm not alone G Don't be doing him wrong like that Bm I've got, I've got a good thing Bm Yes is flattering that you're feeling me G Doesn't really matter boy what you have G Bm But I've got to say that it's all for me I don't need no rock to be off the block Bm There's nothing that i would do G No more tears you bring gonna change a thing G To hold the risk of losing him over you Bm What we have is so real G 'Cause i'm in too deep to blow a good thing G Gb You don't need to prove to me how he feels G And one night's mischief could cost me everything I want 'Cause i'm in too deep to blow a good thing (repeta refrão) 'Cause baby I'm in love with the one I'm with G Α And one night's mischief could cost me everything I want Sorry if you don't approve I got plans with the one I'm with And there a lifetime of being true Bm G baby I'm in love with the one I'm with Maybe in a different place and time Bm Maybe that I might have changed my mind Sorry if you don't approve But its like this, baby I'm in love with the one I'm with I got plans with the one I'm with I'm In Love (repeat 8X) Bm G And there a lifetime of being true Cuz my heart is taken by the one G Α Maybe in a different place and time That I got and I am gonna prove G Maybe that I might have changed my mind That you can trust someone Gb Α But is like this, baby I'm in love with the one I'm with The one you love! (Bm,<mark>G</mark>)
