 TM, You're just another winner
 Woo, yeah, uh, yeah, uh, hey Rodney
 Terror, come on, its goind down baby

What did I
 Do to deserve such a man so special in my life?
 So many days and nights
 I get on the go while I sit and wait for mister right
 Baby, then came you

Laidback with your sexy smile
 When you move your body you just drive me wild
 If you're feeling me, baby, tell me now
 Because I want you, I want you

Baby, no one else can ever want you like I do
 I?m feelin? love in the deepest fall, give you the keys and
 all

You even when helped me when the beef was on
 Tell me what you feel 'cause I?m feeling something real
 I feel the same way, you make the Don say
 Girl, I want you, girl, I need you

Can?t you see
 How this love affair would be good for you and me?
 'Cause baby, I swear no other man can do
 The things that you do when you love me
 Oh, baby, you?re my lifetime fantasy

So smooth, love the way you walk
 I just love to hear when you talk your talk
 So if you?re feeling me, baby, let me know
 Because I want you, I want you

Baby, no one else can ever want you like I do
 I?m feelin? love in the deepest fall, give you the keys and
 all

You even when helped me when the beef was on
 Tell me what you feel 'cause I?m feeling something real
 I feel the same way, you make the Don say
 Girl, I want you, girl, I need you

Slow down, love
 Don?t you see me with my girl, what you thinkin? it was?
 I know you?re used to seein? me in the clubs
 Different chicks, sippin? Cris?, just a million in dubs
 But I?ve changed, only got eyes for her
 Believe me, ain?t no girl dividin? us
 We could maybe elope, have a baby and all
 'Cause I don?t wanna be a player no more

Baby, no one else can ever want you like I do
 I feel the same way, you make the Don say
 Girl, I want you, girl, I need you
 Tell me what you feel 'cause I?m feeling something real
 I feel the same way, you make the Don say
 Girl, I want you, girl, I need you

Baby, no one else can ever want you like I do
 I feel the same way, you make the Don say
 Girl, I want you, girl, I need you
 Tell me what you feel 'cause I?m feeling something real
 I feel the same way, you make the Don say
 Girl, I want you, girl, I need you

Baby...baby...baby...baby...
