

# Thalles Cabral - Greater And Stronger Than "I Love You"

tom:

D

That's the first time I feel safe  
 Staring at somebody else's face  
 Just being exactly who you are  
 With a stranger, goddamn, it's the best part

I like the way you talk  
 And the way your smile is fine  
 I like how your body moves  
 Every time you kiss me hard

I don't really care to die  
 As long as you hold me tight  
 Cause no one ever did  
 Love me quite like this before

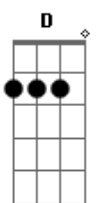

You wanna know what's on my mind  
 My truest feelings deep inside  
 But sending this love song  
 Is greater and stronger than I love you  
 ( Gbm G )

When I'm with you I feel about to cry  
 Not cause I'm sad, but cause it feels so nice  
 Like every heartbreak just led me to here  
 But this one's a different kind of tear

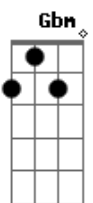

I like the way you talk  
 And the way your smile is fine  
 I like how your body moves  
 Every time you kiss me hard

I don't really care to die  
 As long as you hold me tight  
 Cause no one ever did

Love me quite like this before

You wanna know what's on my mind  
 My truest feelings deep inside  
 But sending this love song  
 Is greater and stronger than

I love you!  
 I-i fucking love you!  
 I love you!  
 I-i fucking love you!

I text you / You text me  
 I call you / You call me  
 I get you / You get me  
 I miss you / You miss me  
 This loop, multiple times  
 Like I've known you my whole life

I text you / You text me  
 I call you / You call me  
 I get you / You get me  
 I miss you / You miss me  
 This loop, multiple times  
 Like I've known you my whole life

I like the way you talk  
 And the way your smile is fine  
 I like how your body moves  
 Every time you kiss me hard

You wanna know what's on my mind  
 My truest feelings deep inside  
 But sending this love song  
 Is greater and stronger than I love you
