

Thalles Cabral - Mr. Lonely

Tom: **Bb**

(com acordes na forma de **G**)
 Capotraste na 3ª casa
 I am Mr. Lonely?

That's the way they call me?
 My bedroom is the coldest place I know
 I'm a weirdo

I still don't get this world?
 It all seems like a bad joke
 Everything looks so empty?
 And still plenty (almost the whole time)

One less day, one more night (I am all the things)?
 Give me my smoke and let me have my insight (to see what I could have been)
 There's only winter after this line (but my stomach still burns)?
 I chose to go, I chose to be alone (where I can't see the sun)
 (I'm gonna drive my car
 Under the rain

(u-t-o-p-i-a)
 I will ride so fast
 Until I lose my faith
 (u-t-o-p-i-a)
 I want to believe in everything they say
 But I think there has never been a place
 For people like us
