Dbm B A  
But the angst inside me left my body

Dbm B A  
And for now I have this temporary palace

Now I see and I can feel

E  
Now I breathe and I feel free

E A E A  
Life is something beautiful

E  
I completely lost track of space and time

A  
Wasn't able to feel anything besides

This sorrow that slowly melted my heart

E  
To stone and took away all my best part

Set me free from worries and all regret

A  
I don't know how much longer this will last

But I want to say to my future self

Dbm  
That I've already been there and it's gonna pass

And for now I have this temporary palace

E  
Now I see and I can feel

E  
Now I breathe and I feel free

E  
Life is something beautiful

I'm alright today

Unkind thoughts are buried in the ground

I'm ok, my friend
