Bm D A  
Let's go to a place far away  
Gb Bm  
Where they don't know who we are

I can't lie to you, baby

Kids just want acid, love and play hard

It has been such a beautiful fight

Bm G D  
Live slowly, die whenever  
Gb Bm  
Follow me down to Utopia tonight  
G D  
Please don't tell your parents  
Gb Bm  
I'm gonna make you feel electrified

G D  
We are so fucking good together  
Gb Bm  
It all makes sense when we dance all night  
G D  
Let's pretend tomorrow night never happened  
Gb  
Come on, baby. High five for low lives

Bm D A  
You know me just by the look  
Gb Bm  
You say 'baby, angst is in your eyes'  
D A  
We're ugly, but we have the music  
Gb Bm

Leonard Cohen was right all this time

D A  
I feel my bones growing inside  
Gb Bm  
It hurts, I'm weak, but I won't cry  
D A  
I'm a Pisces, and I miss something

That I have never lived in this life
