

That Poppy - Chewing Gum

tom:
[Primeira Parte]
E I like myself again, I finally found a friend
E His name's Nobody and he loves me
E I found him on the web, the world wide internet
E And on the day we met, I felt lovely
Gbm I hope you never try to leave me

[Refrão]

Dbm 'Cause I want you under my thumb
Dbm I'm just a girl and I want to have fun
Dbm So don't make me hate you, I won't hesitate to
Dbm Spit you out like old chewing gum
E I love chewing gum

[segunda Parte]

E My life feels like a dream now that he's on my team
E I melt like ice cream when he loves me
E He calls me "Poppy Seed" and treats me like a queen
E He's everything I need, so I tell him
Gbm "I know you'll never try to leave me"

[Refrão]

Dbm 'Cause I've got you under my thumb
Dbm I'm just a girl and I want to have fun
Dbm So don't make me hate you, I won't hesitate to
Dbm Spit you out like old chewing gum
E I love chewing gum

[Ponte]

E Am I just insecure?
E A wee bit immature?
E Who knows for sure? (Who knows for sure?)
E At least I got my boy here to tell him that

[Refrão]

Dbm 'Cause I've got you under my thumb
Dbm I'm just a girl and I want to have fun
Dbm So don't make me hate you, I won't hesitate to
Dbm Spit you out like old chewing gum
E I love chewing gum
Dbm 'Cause I've got you under my thumb
Dbm I'm just a girl and I want to have fun
Dbm So don't make me hate you, I won't hesitate to
Dbm Spit you out like old chewing gum
E I love chewing gum
