

# That Poppy - Pop Music

tom:  
Capostrate na 4ª casa  
Intro: **G** **Em** **C**

[Primeira Parte]

**G**  
It exists in all different places  
It transcends all time and spaces  
**Em** **C**  
I know, oh woah, oh woah, oh woah, it's complicated  
**G**  
It saved me, I know it can save you

That sounds dumb but trust me it's been proved  
**Em** **C**  
I know, oh woah, oh woah, oh woah, it's underrated

[Ponte]

**G**  
I think I like it, I think I like it  
I think I like it, I think I like it  
**Em** **C**  
I think I like it, I think I like it

[Refrão]

**G**  
Pop is when you hear a song and cannot help but sing along  
It's when you hate it but you still appreciate it  
**Em** **C**  
Pop belongs to everyone (oh oh)  
**G**  
Pop is on the radio and who decides we'll never know  
Somebody told me I should follow where the money goes  
**G** **C**

[Ponte]

**G**  
I think I like it, I think I like it

I think I like it, I think I like it

[Segunda Parte]

**G**  
Poor kids come from nothing, but they can  
Have it too, it's egalitarian  
**Em** **C**  
I know, oh woah, oh woah, oh woah, it's hard to make it  
**G**  
Drive rich cars and live in some mansions  
Still, have heart under all the fashions  
**G** **C**  
I know, oh woah, oh woah, oh woah, you gotta chase it, but

[Ponte]

**G**  
I think I like it, I think I like it  
I think I like it, I think I like it  
**Em** **C**  
I think I like it, I think I like it

[Refrão]

**G**  
Pop is when you hear a song and cannot help but sing along  
It's when you hate it but you still appreciate it  
**Em** **C**  
Pop belongs to everyone (oh oh)  
**G**  
Pop is on the radio and who decides we'll never know  
Somebody told me I should follow where the money goes  
( **G** **C** )

[Ponte]

**G**  
I think I like it, I think I like it  
Yeah, I still like it, yeah, I still like it  
**Em** **C**  
I think I like it, I think I like it

## Acordes
