

That Poppy - Software Upgrade

Tom:
[Primeira Parte]

^C
You were never meant for me
^G No true capability to satisfy me in a human way
^C You got the weaknesses and I have to deal with it
^{Em} I restart you every single day

[Pré-Refrão]

^G I turn you off, I turn you on
^C And off and off, and on and on
^{Em} And off and off, and on and on and on

[Refrão]

^G I think you need a software upgrade
^C Because you run ten minutes too late
^{Em} And I'm too cute to patiently wait
^G I'm getting you a software upgrade
(Software upgrade)

[Segunda Parte]

^C You're not original
^G A true individual
^{Em} You only say what you're programmed to say
^C You never make me any food
^G And you are never in the mood

^{Em} So come on baby, tell me, are you gay? ^D

[Pré-Refrão]

^G I turn you off, I turn you on
^C And off and off, and on and on
^{Em} And off and off, and on and on and on ^D

[Refrão]

^G I think you need a software upgrade
^C Because you run ten minutes too late
^{Em} And I'm too cute to patiently wait
^G I'm getting you a software upgrade
(Software upgrade)

[Ponte]

^{Em} He's a fine, fine hologram
^G Oh, but he'll never be a real man
^C Oh, he's a fine fine hologram
^D Hey hey hey
[Refrão]

^G I think you need a software upgrade
^C Because you run ten minutes too late
^{Em} And I'm too cute to patiently wait
^G I'm getting you a software upgrade
(Software upgrade)
