

# The 1975 - Heart Out

Tom: G

Intro: D Em C

D Em C  
Rushing in a small town

D Em C  
I forgot to call you

D Em C  
I'm running low on know how

D Em C  
With this beat I made for two

D Em C  
Cause I remember that I like you

D Em C  
No matter what I found

C Em  
She said, "it's nice to have your friends round

C Em  
But we're watching the television with no sound"

D Em C  
It's just you and I tonight

C D Em  
Why don't you figure my heart out?

D Em C  
It's just you and I tonight

C D Em  
Why don't you figure my heart out?

D Em C  
Push your lack of chest out, look at my hair

Em C  
Gotta love the way you love yourself

D Em  
Your obsession with rocks and brown

C  
And fucking the whole town's

D Em C  
A reflection on your mental health

Cause I remember when I found you

D Em C  
Much younger than you are now

D Em C  
And once we started having friends round

D Em C  
You created a television of your mouth

D Em C  
It's just you and I tonight

C D Em  
Why don't you figure my heart out?

D Em C  
It's just you and I tonight

C D Em  
Why don't you figure my heart out?

G  
You got something to say?

C D G  
Why don't you speak it out loud, instead of living in your head?

G  
It's always the same

C D G  
Why don't you take your heart out, instead of living in your head?

D Em C  
It's just you and I tonight

C D Em  
Why don't you figure my heart out?

D Em C  
It's just you and I tonight

C D Em  
Why don't you figure my heart out?
