

# The 1975 - Robbers

Tom: Db

(com acordes na forma de  
Capotraste na 6ª casa G )

She had a face straight outta magazine  
God only knows but you'll never leave her  
Her balaclava is starting to chafe

When she gets his gun he's begging "baby stay, stay, stay,  
stay, stay."

I'll give you one more time  
We'll give you one more fight

Said one more line  
Will I know you?

Now if you never shoot, you'll never know  
And if you never eat, you'll never grow  
You got a pretty kind of dirty face

And when you're leaving your home  
She's begging you to stay, stay, stay, stay, stay

I'll give you one more time

We'll give you one more fight  
Just said one more line  
There'll be a riot, cause I know you

Well, now that you've got your gun  
It's much harder now the police have come  
And I'll shoot him if it's what you ask  
But if you just take off your mask  
You'd find out that everything's gone wrong

Now everybody's dead  
And they're driving past my old school  
He's got his gun, he's got his suit on  
She says baby, you look so cool

You look so cool  
You look so cool  
You look so cool  
You look so cool  
You look so cool  
You look so cool
