

The 1975 - She Lays Down

Tom: G

[Intro]

[Verse]

G C

And she lays down on her bedroom floor

The chemicals that make her laugh

Don't seem to be working anymore

She tries her best, but it hurts her chest

And even though her sun is gone

She'd like to love her child nevertheless

My hair is brown, she's scared to touch

And she just wants to feel something

And I don't think that's asking for too much

[Chorus]

And when I go to sleep is when she begins to weep

She's appalled by not loving me at all

She wears a frown and dressing gown

When she lays down

[Verse]

Well we got a plane, going to see my dad again

She prayed that we fell from the sky

Simply to alleviate the pain

Over the water, hmm

Over terrain

The engines all go bust, we turned to dust

And I've no reason to complain

[Chorus]

And in the end, she tries cocaine

But it couldn't fix her brain

She's appalled oh she doesn't love me at all

She wears a frown and dressing gown

And she lays down
