F **G** **C**
So I heard you found somebody else

I took all of my things that make sounds
B7 **Am**
the rest I can do without

I don't want your body but I hate to think about you with
somebody else
F **C** **G**
Our love has gone cold, you're intertwining your soul with
somebody else

I'm looking through you while you're looking through your
phone and then leaving with somebody else
F **C** **G**
oh, I don't want your body but I'm picturing your body with
somebody else
F **C** **G**
Come on baby, this ain't the last time that I'll see your face
F **C** **G**
Come on baby, you said you'd find someone to take my place
F **C** **G**
Oh I just don't believe that you have got it in you cos we are
just gonna keep 'doin it'
F **C** **G**

and everytime I start to believe in anything you're saying I'm
reminded that I should be getting over it

I don't want your body but I hate to think about you with
somebody else
F **C** **G**
Our love has gone cold, you're intertwining your soul with
somebody else
F **C** **G**
I'm looking through you while you're looking through your
phone and then leaving with somebody else
F **C** **G**
oh, I don't want your body but I'm picturing your body with
somebody else

F **G** **C**
Get someone you love? Get someone you need? Fuck that, get
money
F
I can't give you my soul, cos we're never alone

F **C** **G**
I don't want your body but I hate to think about you with
somebody else
F **C** **G**
Our love has gone cold, you're intertwining your soul with
somebody else
F **C** **G**
I'm looking through you while you're looking through your
phone and then leaving with somebody else
F **C** **G**
oh, I don't want your body but I'm picturing your body with
