

The 1975 - The Sound

Tom: C

[Intro]

N.C.
Well I know when you're around cause I know the sound
N.C.
I know the sound, of your heart
N.C.
Well I know when you're around cause I know the sound
N.C.
I know the sound, of your heart

[Chorus]

^F
Well I know when you're around cause I know the sound
^{Em F}
I know the sound, of your heart
^{Em F}
Well I know when you're around cause I know the sound
^{Em F G}
I know the sound, of your heart

[Verse 1]

^F
I can't believe I forgot your name
^{Em F}
Oh baby won't you cum again?
^{Em F}
She said "I've got a problem with your shoes
And your tunes, but I might move in
^{Em F G}
And I thought you were straight, now I'm wondering"

[Pre-Chorus]

^{Am G Em F}
You're so conceited, I said "I love you"
^{Am G Em F}
What does it matter if I lie to you?
^{Am G Em F}
I don't regret it but I'm glad that we're through
^{Dm Em F}
So don't you tell me that you "just don't get it"
^G
Cause I know you do

[Chorus]

^{F Am G}
Well I know when you're around cause I know the sound
^{Em F Am G}
I know the sound, of your heart
^{Em F Am G}
Well I know when you're around cause I know the sound
^{Em F Am G Em}
I know the sound, of your heart

[Verse 2]

^F
It's not about reciprocation, it's just all about me
^{Em F Em F}
A sycophantic, prophetic, Socratic junkie wannabe

There's so much skin to see
^{Em F}
A simple Epicurean philosophy
^{Em F}
And you say I'm such a cliché
^{Em F}
I can't see the difference in it either way
^{Em F}
And we left things to protect my mental health
^{Em F G}
But you'll call me when you're bored and you're playing with
yourself

[Pre-Chorus]

^{Am G Em F}
You're so conceited, I said "I love you"
^{Am G Em F}
What does it matter if I lie to you?
^{Am G Em F}
I don't regret it but I'm glad that we're through
^{Dm Em F}
So don't you tell me that you "just don't get it"
^G
Cause I know you

[Chorus]

^{F Am G}
Well I know when you're around cause I know the sound
^{Em F Am G}
I know the sound, of your heart
^{Em F Am G}
Well I know when you're around cause I know the sound
^{Em F Am G}
I know the sound, of your heart
^{F Am G}
Well I know when you're around cause I know the sound

I know the sound, of your heart

I know the sound, of your heart
