All I do is dream about you
F7M
            Gbm7
Baby
All I do is dream about you
Remember when
(Remember when you loved me)
I loved you and then
You left me alone
You know I'd always come back home
We can't pretend
Gbm7
That this is the end
Baby
All I do is dream about you
E7M
I can't seem to shake you
E7M
Baby
Dhm
                      Gbm7
I swear tomorrow that I'll give you up
                        Gbm7
Save the sorrow for when we wake up
But for tonight it seems I'm tangled up
```
