

The Altons - Your light

tom:

Said you'd be there through it all
 That you'd catch me when I fall
 Now there's nothing but an empty home
 I sit and sing, so I, I don't feel alone

I need (I need)
 I need (I need)
 I need your light to guide me
 I need (I need)
 I need (I need)
 I need your light to guide me
 Your light to guide me home

Now my days, they melt away
 Your love for me was led astray
 Now there's nothing but an empty home
 I sit and sing, so I, I don't feel alone

I need (I need)
 I need (I need)

I need your light to guide me

I need (I need)
 I need (I need)
 I need your light to guide me
 Your light to guide me home

A love like ours, it came and went
 Heart is broken, money's spent
 All I'm left with is an empty home
 I sit and sing, so I, I don't feel alone

I need (I need)
 I need (I need)
 I need your light to guide me

I need (I need)
 I need (I need)
 I need your light to guide me
 Your light to guide me home
 Your light to guide me home
