

# The Altons - Your light

tom:

F

Said you'd be there through it all  
That you'd catch me when I fall  
Now there's nothing but an empty home  
I sit and sing, so I, I don't feel alone

F

I need (I need)

I need (I need)

I need your light to guide me

I need (I need)

I need (I need)

I need your light to guide me  
Your light to guide me home

Now my days, they melt away

Your love for me was led astray

Now there's nothing but an empty home

I sit and sing, so I, I don't feel alone

I need (I need)

I need (I need)

I need (I need)

I need (I need)

I need your light to guide me

I need (I need)

I need (I need)

I need your light to guide me

Your light to guide me home

[Solo] Dm Dm G7 Gm  
C7 Dm C F

A love like ours, it came and went

Heart is broken, money's spent

All I'm left with is an empty home

I sit and sing, so I, I don't feel alone

I need (I need)

I need (I need)

I need your light to guide me

I need (I need)

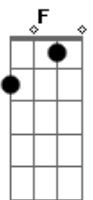

I need (I need)

I need your light to guide me

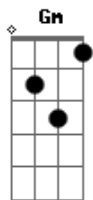

Your light to guide me home

Your light to guide me home
