```
         Bm                  A
        Baby, do you understand me now
        G                          Gb
          Sometimes I feel a little mad
             Bm                                  A
        Well don't you know that no-one alive can always be an
angel
        G                                   Gb
          When things go wrong I seem to be bad
```

Chorus:

```
        D                     Bm                  A
        I'm just a soul who's intentions are good
        G           {N.C.}                    Bm
        Oh Lord   please don't let me be misunderstood
```

{repeat intro (2X)}

Verse 2:

```
        Baby, sometimes I'm so carefree
        With a joy that's hard to hide
        And sometimes it seems that all I have to do is worry
        And then you're bound to see my other side
```

{repeat Chorus}

```
        Bm    A  {first 3 beats as per intro}
        / / / /

        G             A       G            A
          If I seem edgy, I want you to know
         G             A               D     Bm
        That I never mean to take it out on you
        G                  A             G       A
          Life has it's problems and I get my share
            G                          Gb
        And that's one thing I never mean to do, 'cause I love
you
```

Verse 3:

```
        Oh, oh, oh, baby, don't you know I'm human
        Have thoughts like any other one
        Sometimes I find myself long regretting
        Some foolish thing, some little simple thing I've done
```

{repeat Chorus followed by intro (1X) to fade}
