I've seen many submissions of this song with the correct chords. But the arpeggio is not so good on all of them. Some are almost OK, some are bad and some are just downright bizarre.
But THIS version is very close to the autentic sound. Actually, I don't think it's possible

to get any closer.

Am **C** **D**

E **F**

- Let your plectrum slide down the strings on these notes. If you didn't get that, mail me and I'll try to explain it another way.
