

# The Animals - Its All Over Now Baby Blue

tom:

Bm

( D )

[Primeira Parte]

You must leave now, take what you need, you think will last  
 But whatever it is you think you need, you better grab it fast  
 Yondet stands your orphan with his gun  
 Crying like a fire in the sun  
 Look out, the saints are comin? through  
 And it?s all over now, baby blue

The highway is for gamblers, you better use your sense  
 Take whatever you?ve gathered of from coincidence  
 The empty handed painter from your street  
 Is drawing crazy patterns on your sheets  
 This sky too now is folding upon you  
 And it?s all over now, baby blue

All your seasick sailors, they are rowing home  
 Your empty handed armies are all going home

Your lover who just walked out your door  
 Has taken all his plankets from the floor  
 The carpet too is moving under you  
 And it?s all over now, baby blue

[Instrumental]

 Em G D

Leave your stepping stones behind, there?s someone calls for you  
 Forget the dead you?ve left behind, they will not follow you  
 The vagabond who?s rapping at your door  
 Is standing in the clothes that you once wore  
 Strike another match, let?s go start a new  
 ?Cos it?s all over now, baby blue  
 It?s all over now, baby blue  
 It?s all over, baby blue  
 It?s all over baby, baby blue  
 Baeeeebe baby blue  
 It?s all over baby, baby blue
