tom:

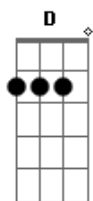

Intro: <sup>D</sup>  
<sup>Bm</sup> <sup>G</sup> <sup>Gbm</sup> <sup>Db</sup>

<sup>D</sup>  
When I wake up  
<sup>G</sup>  
I can't even stay up  
<sup>Gbm</sup> <sup>D</sup>  
I slept through the day, fuck  
<sup>G</sup> <sup>Gbm</sup>  
I'm not getting younger  
<sup>D</sup>  
But when I'm older  
<sup>G</sup>  
I'll be so much stronger  
<sup>Gbm</sup> <sup>Bm</sup>  
I'll stay up for longer  
<sup>G</sup> <sup>Db</sup>  
Meet me at our spot

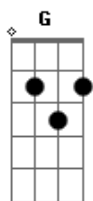

<sup>D</sup>  
Caught a vibe  
<sup>G</sup>  
Baby are you coming for the ride? (The ride, the ride, the ride)  
<sup>Gbm</sup> <sup>D</sup>  
I just wanna look into your eyes (Your eyes, your eyes)  
<sup>G</sup> <sup>Gbm</sup>  
I just wanna stay for the night, night, night  
<sup>D</sup>  
When we take a drive  
<sup>G</sup>  
Maybe we can hit the 405  
<sup>Gbm</sup> <sup>Bm</sup>  
Hypnotized by the lights  
<sup>G</sup> <sup>Db</sup>  
Man, this must be the life

<sup>D</sup>  
When I go to sleep  
<sup>G</sup>  
I can't even fall asleep  
<sup>Gbm</sup> <sup>D</sup>  
Something's got ahold of me  
<sup>G</sup>  
Feel it taking over me  
<sup>Gbm</sup> <sup>D</sup> <sup>G</sup>  
But when I'm older I'll be moving onward  
<sup>Gbm</sup> <sup>Bm</sup>  
I just got a drunk text  
<sup>G</sup> <sup>Db</sup>  
(Meet me at our spot)
