Verse:

(**A**)
I woke up with the power out,
not really something to shout about.
(**D**)

(**A**)
Ice has covered up my parents hands
don't have any dreams don't have any plans.
(**D**)

(**Bb**)
I went out into the night,
I went out to find some light.
(**F**)

(**Bb**)
Kids are swingin' from the power lines,
nobody's home, so nobody minds.
(**F**)

(**A**)
I woke up on the darkest night,
neighbors all were shoutin' that they found the light.
(**D**)

(**A**)
Shadows jumpin' all over the walls
some of them big, some of them small.
(**D**)

(**Bb**)
I went out into the night.
I went out to pick a fight with anyone.
(**F**)

(**Bb**)
Light a candle for the kids,
Jesus Christ don't keep it hid!
(**Dm**)
Woohoo! (**F**) Woohoo! (**Dm**) Woohoo! (**F**)

(**A**)
Ice has covered up my parents hands
don't have any dreams, don't have any plans.
(**D**)

(**A**)
Growin' up in some strange storm,
nobody's cold, nobody's warm.
(**D**)

(**Bb**)
I went out into the night,

I went out to find some light.
(**F**)

(**Bb**)
Kids are dyin' out in the snow,
look at them go, look at them go!
(**Dm**)

Woohoo! (**F**) Woohoo! (**Dm**) Woohoo! (**F**)
