

Arcade Fire - Wasted Hours

Tom: **B**

(com acordes na forma de **G**)
Capotraste na 4ª casa

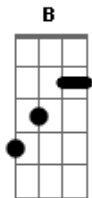

G
All those wasted hours we used to know
Bm **Em** **C**
Spent the summer staring out the window
G
The wind it takes you where it wants to go
G
First they built the road, then they built the town
Bm **Em** **C**
That's why we're still driving round and round
G
And all we see, are kids in buses longing to be free

Chorus:

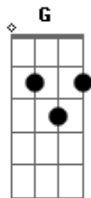

G **G**
Wasted hours, before we knew

Am **Em** **G**
Where to go, and what to do
Am **Em** **G**
Wasted hours, that you made new
Em **Bm** **G**
And turned into, a life that we can live
G
Some cities make you lose your head
Bm **Em** **C**
Endless suburbs stretched out thin and dead
G
And what was that line you said
G
Wishing you were anywhere but here
Bm **Em** **C**
You watch the life you're living disappear
G
And now I see we're still kids in buses longing to be free
