

The Audition - Los Angeles

tom:
G

She said, I'm jealous of Los Angeles
Gb

She gets to keep you for a month or two
Abm

And I don't know if I can handle this
E

The thought of being without you
Gb B

I know it's cold
E B

But baby, maybe we can stay a little longer
Abm Gb

Then warm up those toes
E B

The last thing we need is to blow our cover and
Abm Gb

I know it's tough to reconsider
E B Abm

What you thought was love
Gb E

But I'm so proud of all the plans you're speaking of
B Abm Gb

Lay with me, stay with me now, oh
Abm E Gb

'Cause you are all I think about

She said, I'm jealous of Los Angeles
Gb

She gets to keep you for a month or two
E

And I don't know if I can handle this
Gb Abm

The thought of being without you

She said I'm sorry for the way I've been
E

It's so much harder but I guess we'll see
Gb Abm

If I can prove myself wrong
E

Show you I can be stronger than we thought that I would be
B

I said, let's go
E B

And baby, maybe I can show you
Abm

What you need to know and how to cope
Gb E B

The citizens can listen in
Abm

But they will never know about this love
Gb E B

Abm Gb

And just how stronger we can be
E B

So what if they don't like the plans
Abm Gb

That we've been speaking of?

I'll crave your kiss while you're gone, oh
Abm E B

So much I'm missing that alone
Abm E Gb

She said, I'm jealous of Los Angeles
E

She gets to keep you for a month or two
Gb Abm

And I don't know if I can handle this
E

The thought of being without you
Gb Abm

She said I'm sorry for the way I've been
E

It's so much harder but I guess we'll see
Gb Abm

If I can prove myself wrong
E

Show you I can be stronger than we thought that I would be
Gb B

And I can commit to change
B Dbm Abm

(I said I'm sorry for the way I've been)
E

If you can promise to stay the same
B Dbm Abm

(It's so much harder than I thought it'd be)
E

And never let this fade
B Dbm Abm

(I said I'm sorry for the way I've been)
E

Baby, just promise to stay the same
B Dbm Abm

(It's so much harder than I thought it'd be)
E Gb

She said, I'm jealous of Los Angeles
