

# The Band Perry - Better Dig Two

Tom: G

Am  
I told you on the day we wed  
C D  
I was gonna love you 'til I's dead  
Am  
Made you wait 'til our wedding night  
C G  
That's the first and the last time I wear white

Am  
So if the ties that bind ever do come loose  
C D  
Tie them in a knot like a hangman's noose  
Am  
Cause I'll go to heaven or I'll go to hell  
C G  
Before I'll see you with someone else

C G Am  
Put me in the ground  
C G Am  
Put me six foot down  
C G Am  
And let the stone say:

Same as the verses

Am C  
Here lies the girl whose only crutch  
D (D2 if you want)  
Was loving one man just a little too much  
Am C  
If you go before I do  
G  
I'm gonna tell the gravedigger that he better dig two

Well,  
Am  
It won't be whiskey, won't be meth  
C D  
It'll be your name on my last breath  
Am  
If divorce or death ever do us part  
C G  
The coroner will call it a broken heart

C G Am  
Put me in the ground  
C G Am  
Put me six foot down  
C G Am  
And let the stone say:

Am C  
Here lies the girl whose only crutch  
D (D2 if you want)  
Was loving one man just a little too much  
Am C  
If you go before I do  
G  
I'm gonna tell the gravedigger that he better dig two

Dig two  
C G Am  
Ooh, ooh  
C G Am

Am G  
I took your name when I took those vows  
Am G  
I meant 'em back then and I mean 'em right now,  
Oh, right now

Am  
If the ties that bind ever do come loose  
C D  
If forever ever ends for you  
Am  
If that ring gets a little too tight  
C D  
You might as well read me my last rights

Pause x x x x

And let the stone say:

Am C  
Here lies the girl whose only crutch  
D (D2 if you want)  
Was loving one man just a little too much  
Am C  
If you go before I do  
G  
I'm gonna tell the gravedigger that he better dig two

Am C  
Heavy stone right next to mine,  
D  
We'll be together 'til the end of time  
Am C  
Don't you go before I do,  
G  
I'm gonna tell the gravedigger that he better dig two

Am  
I told you on the day we wed  
C G  
I was gonna love you 'til I's dead
