The Beatles - A Day In The Life

```
                tom:
                 G
Intro: Em  Em / D  C  D
```

[Primeira Parte]

```
G              Bm          Em        Em
  I read the news today, oh boy
C        G            Am
  About a lucky man who made the grade
G              Bm           Em        Em
  And though the news was rather sad
C        F      Em    Em
  Well I just had to laugh
C        F     Em    C  D
  I saw the photograph

G              Bm          Em        Em
  He blew his mind out in a car
C        G            Am
  He didn't notice that the lights had changed
G              Bm          Em        Em
A crowd of people stood and stared
C              F
  They'd seen his face before

Em                      Em                     C
  Nobody was really sure if he was from the House of Lords

G      Bm          Em  Em
  I saw a film today, oh boy
C        G            Am
  The English army had just won the war
G      Bm          Em        Em
A crowd of people turned away
C        F
  But I just had to look
Em              C
 Having read the book

              Em
  I'd love to turn you on

( Em  F  G )
( A   B  C )
( D  Em  E )
(3x)
```
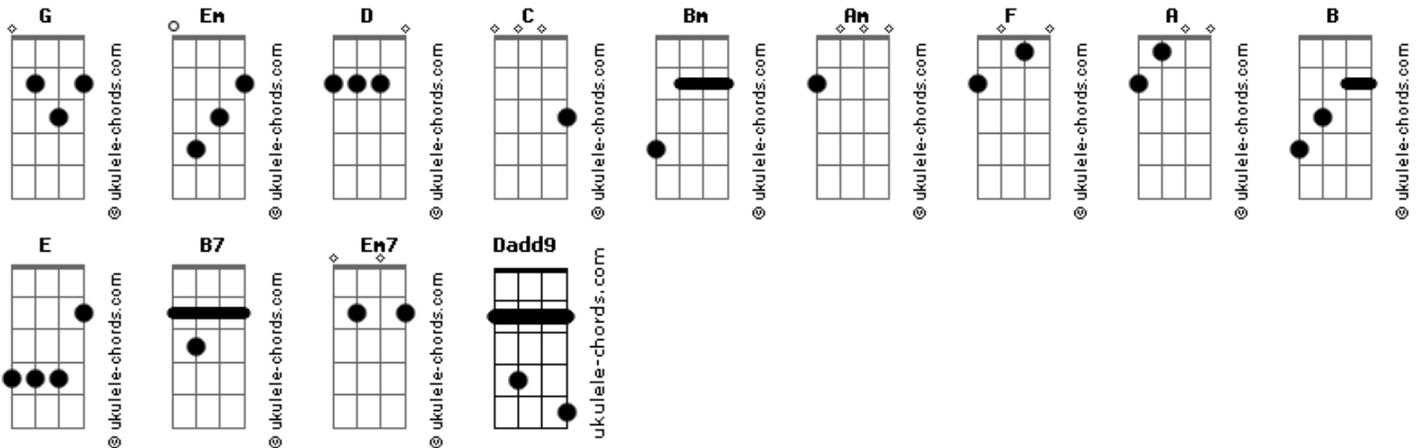

[Segunda Parte]

```
                                              Dadd9
Woke up, fell out of bed, dragged a comb across my head
           E            B7
Found the way downstairs and drank a cup
        E          B7
And looking up, I noticed I was late

                        E
Dadd9
Found my coat and grabbed my hat, made the bus in seconds flat
       E          B7
Found my way upstairs and had a smoke
        E                B7
And somebody spoke and I went into a dream
```

[Ponte]

```
C        G
Aah, ah ah ah
         D          A   E
Aah ah ah, ah ah ah! Ah!
C        G
Aah, ah ah ah
         D          A
Aah ah ah, ah ah ah!

( E  D  C  D  G )
```

[Terceira Parte]

```
G          Bm          Em        Em
  I read the news today, oh boy
C          G            Am
  Four thousand holes in Blackburn Lancashire
G          Bm          Em        Em
  And though the holes were rather small
C                F
  They had to count them all
Em                          Em7                    C
  Now they know how many holes it takes to fill the Albert
Hall

C          Em
  I'd love to turn you on
```
