```
       G   C   G                 F           G
It's been a hard day's night, and I've been working like a
dog,
              C   G               F           G
It's been a hard day's night, I should be sleeping like a log,
          C                             D
But when I get home to you, I find the things that you do,
         G   C G
Will make me feel alright.
          G   C   G             F               G
You know I work all day, to get you money to buy you things,
                         C    G             F
G
And it's worth it just to hear you say, you're gonna give me
everything.

          C                             D
So why on earth should I moan, 'cause when I get you alone,
         G    C G
You know I'll feel okay.

         Bm   Em                    Bm
When I'm home, everything seems to be right;
         G    Em                   C     D
When I'm home, feeling you holding me tight, tight, yeah.

          G   C   G                 F           G
It's been a hard day's night, and I've been working like a
dog,
