The Beatles - Ask Me Why

Tom: E

(verse)
```
E  Gbm  Abm  Gbm                              E
I  love you       'cos you tell me things I want to know
  E  Gbm  Abm  Gbm                          E          Ab7
And it's true     that it really only goes to show that I
know
      Dbm            A              Gbm  B7
That I I I I  would never ever ever be blue
  E  Gbm     Abm  Gbm                        E
Now you're mine      my happiness near makes me cry
  E  Gbm Abm  Gbm                        E        Ab7
And in  time       you'll understand the reason why that I
cry
      Dbm
It's not because I'm sad
                  A                    E    E  (e.g.,
076550)
```

But you're the only love that I've ever had

(middle)
```
               A      B7               E   E
I can't believe    it's happened to me
           A      B7           E    B7
I can't conceive   of any more misery
```
(verse)
```
  E  Gbm Abm         Gbm
Ask me  why   I'll say I love you   [second time jump to
ending]
               Abm             A   E   E
And I'm always thinking of you
