

# The Beatles - Blue Jay Way

There's a fog upon L.A. and my friends have lost their way,

"Well be over soon" they said now they've lost themselves instead

Please don't be long, please don't you be very long,

Please don't be long or I may be a sleep

Well it only goes to show and I told them where to go,

Ask a p'liceman on the street there's so many there to meet

Please don't be long, please don't you be very long,

Please don't be long or I may be a sleep

Now it's past my bed I know and I'd really like to go,

Soon will be the break of day sitting here in Blue Jay Way

Please don't be long, please don't you be very long,

Please don't be long or I may be a sleep (repeat)
